The Mathematical Institute at the Heinrich Heine University (HHU) Düsseldorf invites applications for the temporary position of a
Professor (W1) in Biostatistics (without Tenure Track)
to take up appointment as soon as possible.
The successful candidate will have a research focus in the field of biostatistics or biometrical statistics, respectively, and experience in a successful interdisciplinary collaboration with other research areas such as bioinformatics, biology, pharmacy, toxicology, or medicine. The candidate should have proven her or his excellent scientific qualification by an outstanding PhD thesis and first-class publications in the field of biostatistics.
It is expected that the appointee is willing to acquire competitive third-party funding, to participate in existing and future research networks (e.g., the excellence cluster CEPLAS), and to collaborate across disciplines with working groups, in particular, within the Faculty of Mathematics and Natural Science and with the Medical Faculty of the HHU.
Professional duties also include teaching mathematics at bachelor’s and master’s level for students of the mathematical and other institutes as well as participating in the academic administration of the university.
Conditions for employment are, in addition to general administrative conditions in accordance with § 36 of the North Rhine-Westphalia University Act (Gesetz über die Hochschulen des Landes Nordrhein-Westfalen), an aptitude for teaching, exceptional competence in research, and additional scientific achievements unless there are exceptional reasons for choosing another applicant.
Applications from suitably qualified severely disabled persons or disabled persons regarded as being of equal status according to Book IX of the German Social Legal Code (SGB – Soziales Gesetzbuch) are encouraged.
Heinrich Heine University lives the principle of „excellence through diversity“. HHU has signed the “Charta der Vielfalt (diversity)” and successfully participated in the audit “Shaping Diversity” of the Stifterverband. HHU is certified as family-friendly and aims to promote its employees’ diversity.
At Heinrich Heine University Düsseldorf, appointments may also be part-time, provided there are no overriding administrative reasons in individual cases for requiring full-time employment.
Heinrich Heine University Düsseldorf offers a Dual Career Service and is a member of the Rhineland Dual Career Network (Dual Career Netzwerk Rheinland). Further information can be found under www.dualcareer-rheinland.de.
Detailed application materials with (1) a motivation letter, (2) a curriculum vitae including lists of publications, teaching experience, and third party funding, and (3) a short research and teaching statement should be submitted by 14.10.2020, citing Reference No. 19.20 – 3.1, in digital form as a single PDF file to the Dean of the Faculty of Mathematics and Natural Sciences (bewerbungmnf@hhu.de).

Please do not submit application materials in folders and be sure to send copies only, as documents will not be returned (they will be destroyed after the selection procedure has been completed).
